

## 2020 CULINARY WATER LINE REPLACEMENT STATUS UPDATE NOTICE

6-30-21

Dear Resident,

Condie Construction Company will be performing a complete Road Reconstruction and culinary waterline install on Caveman Blvd. from Main Street to 700 N, and a culinary waterline install on Main Street from 200 East to 600 East. If you have any needs or questions, please contact CCC's representative, Chad Hess, or Travis Paulson. Thank you! We appreciate your patience and cooperation in advance, in helping make this project successful for all involved.

**Project Construction Date:** 1-12-21 to 11-1-21

**Condie's Site Representative:** Chad Hess – (702)-717-6062 or Travis Paulson – (801)-735-3275 – [chess@condieconstruction.com](mailto:chess@condieconstruction.com)

**7 Day Construction Activity Forecast:**

- Crews will be installing 36" water main line in Caveman Blvd. and 700N intersection.
- The intersection of 700 N Caveman will be closed starting 8-4-21.
- Crews will start working on milling & roadway improvements on Caveman from 300 N to 520 N on 8-2-21. Roadway milling and pavement prep will be going on. **Cement treated base will begin Friday 8-6-21 at 300N working towards 520N. This work will take multiple days and you will be asked to park on side streets for the concrete to cure for a few days once it placed. No parking will be allowed on Caveman.**
- The intersection of 300N and Caveman will be closed while the roadway work is happening.
- Crews will be pouring curb and sidewalk on Caveman Blvd.
- Water shutdowns will be continuing to happen as we switch service to the new water main line and abandon the old existing line.
- The Gas company is installing new gas line at 700 N and 300 N Caveman. This is not associated with CCC's work. If you have any questions, call Dominion Energy.
- Businesses and residents will have access, but please do not park on the street. You will be notified 24 hours in advance before any water service disruption or driveway access disruption.

Throughout the project, if we experience any emergency unforeseen utility disruptions, hazards, traffic signal emergencies, or experience a loss of vehicular access, you will be personally contacted by CCC's representative. Thank you.

Chad Hess
